Start Your Own Fundraiser!

To Get Started...

- Host a dinner party or event night with your friends and collect funds for hunger relief.
- Start a fundraiser for FIND on Facebook for your birthday or to support Hunger Action Month.
- Set a fundraising goal, and commit to an act to encourage donations i.e. shave/grow a beard, run a marathon, wear a funny costume in public, etc.
- Have a cook-off! Host a friendly competition and share delicious foods. Ask those attending to make a donation on our website.

Host a Virtual Food Drive

Start a fundraising page online with your organization, workplace, or friends and family. Hosting a virtual food drive helps FIND save on resources to get the most-needed items in bulk to people facing hunger. Increased costs make it difficult for FIND to allocate enough warehouse resources to run a traditional food drive. Donating funds ensures FIND can provide four complete meals for every dollar you donate.

Hunger Action Month

THREE WAYS TO TAKE ACTION

Food insecurity is on the rise due to record-high inflation and the escalated cost of living forcing more families to choose between electricity, housing, and a healthy meal.

FIND Food Bank needs every person to take action to ensure we #LeaveNoLocalHungry.
